Saint Elizabeth Community Announces Plans to Sell Saint Elizabeth Manor

Warwick> Saint Elizabeth Community President, Matthew R. Trimble and Board Chair, Craig W. Carpenter announced today that after careful, serious, and lengthy consideration, that The Board of Trustees and Executive Leadership has decided to sell Saint Elizabeth Manor in Bristol. This decision was made after reviewing all options, and with the strategic plan of the overall organization in mind.

A purchase and sales agreement has been signed with Green Tree Healthcare Management, and an application will be submitted to the RI Department of Health for approval of the sale. It is anticipated that the sale will be finalized by March 2021.

Additionally, Beth Russell, Administrator of Saint Elizabeth Manor, and Kathy Parker, Director of Admissions for Saint Elizabeth Community will remain as employees of Saint Elizabeth Community. Their new roles will be announced in February.

Saint Elizabeth Manor, a skilled nursing and rehabilitation center, has been an important member of Saint Elizabeth Community since 1990. The major factor influencing the decision is the strategic direction of the organization, which among many initiatives includes, supporting the staffing and growth within our current entities and expanding our home and community-based services.
