Safety and Security

Offering peace of mind for residents and their families is priority to Saint Elizabeth Terrace. This residence is beautifully designed with safety in mind and has the following features:

- Three emergency pull-cords per apartment
- State-of-the-art fire protection system
- Visual monitoring with cameras on each floor and at the entrances
- Lighted parking
- Central mailbox area
- Elevator to 2nd floor
- Wide central stairway and additional two stairways, at each end of building
